

NSAPA Team Update — Stop 2525 Main Residential Development

MARK YOUR CALENDAR and REMEMBER THESE DATES:

August 12th and September 3rd

The Planning Commission did not have enough commissioners for a quorum July 22nd. The meeting we were all geared up for has been moved to **Monday August 12th at 5:30 P.M.** The community has 2 more opportunities to voice concerns over the proposed 2525 Main Residential Development, August 12th at the Planning Commission and the extremely critical date of **Tuesday, September 3rd at 5 P.M.** for the City Council Meeting. **If we have excellent attendance at this meetings I feel we can be successful.** The applicant (AC 2525 Main LLC, aka Vineyard Development), was directed to work with City Planning Dept. and residents in an attempt to arrive at a suitable compromise. This did not occur as the applicant submitted their plans 3 days prior to our scheduled meeting with them. They have effectively said they don't want to hear from us. Well, lets tell them at these two meeting how we really feel!

Please show up August 12th at 5:30 P.M. to help the commissioners make wise long-term decisions that will positively impact the future development and growth of Santa Ana. If you can't attend either meeting you can still **write a letter.** Send comments to the Project Manager: Selena Kelaher skelaher@santa-ana.org and eComments@santa-ana.org by noon on August 12th. **Letters submitted for the July 22nd meeting will be included in the August 12th package.** Please copy NSAPAnfo@gmail.com as well so we have a record.

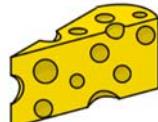

While the project has changed, it is still 347 units, six stories with inadequate parking, and according to the Environmental Impact Report, the impact to AESTHETICS is still "**SIGNIFICANT and UNAVOIDABLE**" due to its size.

Please make yourself available on these dates. WE CAN PREVENT THIS PROJECT FROM GOING IN! WE CAN PROVIDE RESPONSIBLE ALTERNATIVES TO THE DEVELOPERS PROPOSALS!

PROGRESSIVE DINNER is COMING!

When: September 28th. **Time:** 5 P.M. til ?
Cost: \$10 per person (adults only)

Bring: An assigned potluck dish to feed 10 people. Bring your own drink.
Attendees will travel between three Park Santiago homes to enjoy appetizers, main courses and desserts. Mark your calendars now and watch for future reservation information!

Super Fun 4th off July Parade

We had another huge turn out of our annual Parade and Decorating Contests.

Over 200 neighbors came together to celebrate and participate by bike, wagon, scooter, float, unicycle and walk the parade route, led by our Local # 70 Fire Dept's Big Red fire truck!

We enjoyed our local Scouts presenting the colors and leading us In the Pledge of Allegiance. Amber Fensler sang our National Anthem to roaring applause. Rory Kirk was our great DJ and Master of Ceremony.

Thank you to all our neighbors who donated so that we could give out prizes in over 20 categories to our local neighbors and kids who did a great job decorating for our contests! Looking forward to next year!

SAPD MOUNTED PATROL

On 7/17/19, training was held by the Santa Ana Police Department Mounted Unit and Orange County Regional Mounted Enforcement units in Santa Ana at Santiago Park. The agencies present at the training were Santa Ana, Huntington Beach, Newport Beach, Orange, Irvine and the Orange County Sheriff's Department. Also assisting in the training were 35 explorers from Santa Ana and SAUSD.

Santiago Park provides a "real" world atmosphere to train in. Sgt. M. McCarthy and Sgt. K Blake were in charge of designing, organizing, and conducting the training for the day.

After a team meeting, the officers were broken into two groups. Each participating in two different stations that were set-up in Santiago Park. The first part of the day involved (4) scenarios (everyday police situations) that the officers worked together in (2) man teams. Also, a sensory course was set-up at the K9 Training Field.

After lunch, a mobile field force protest exercise on the street in the area of 2600 N. Santiago. The Explorers acted as an unruly crowd as the officers and their mounts worked together to disperse them.

OC STREET CAR PROJECT

To complement Orange County's Metrolink service, passengers need a way to get to their final destination after getting off a train. Through a program called OC Go, the city of Santa Ana and Garden Grove developed this to address the need of a rail system to key employment, population, and activity centers.

The OC streetcar is expected to begin operations in 2022, the OC Streetcar will link the bustling Santa Ana Regional Transportation Center (SARTC), which provides regional rail, OCTA bus, and intercity and international bus services, to a new multimodal hub at Harbor Boulevard/Westminster Avenue in Garden Grove. Along the way, OC Streetcar will connect directly with 18 OCTA bus routes. It will increase transportation options and provide greater access along its 4.15-mile route (in each direction).

It will also serve the historic downtown Santa Ana and Civic Center, which includes government offices, federal, state and local courthouses, unique restaurants and shops, an artists' village, several schools and a variety of community enrichment organizations.
